Dear Josh:

I am enclosing the materials you requested in connection with the Small Grant mail ballot. We have already acted on the Dixon application. It has been deferred for a second review by the Small Grant Committee. Interestingly enough, we got "hung up" on the same phrase that you did--namely, "why does he need a Small Grant when he has \$8,000,000."

Sincerely yours,

Louis A. Wienckowski, Ph.D.  
Director  
Division of Extramural Research Programs
